

# MD. JAMSHED ALAM SEFAT

## Frontend Web Developer

✉ mdjamshedsifat@gmail.com | ☎ (+880)1966147075 | 📍 Dhaka, Bangladesh

## EXPERIENCE

### Frontend Developer Personal & Academic Projects | 2025 – Present

- Developed responsive and user-friendly web applications using React.js, JavaScript, and Tailwind CSS.
- Built reusable UI components and integrated REST APIs for dynamic web applications.
- Implemented Firebase Authentication, protected routes, and responsive layouts.
- Optimized application performance and ensured compatibility across modern browsers and devices.
- Used Git and GitHub for version control and collaborative project development.

## PROJECTS

### Event Management Platform August 2025 – september 2026

#### Technologies: React.js, JavaScript, Tailwind CSS, Firebase

- Developed a modern event management web application with separate client and admin dashboards.
- Implemented user authentication, protected routes, and role-based access.
- Built CRUD functionality for managing events and bookings.

### Smart Healthcare System March 2026 – April 2026

#### Technologies: Python, Django, HTML, CSS, Bootstrap, SQLite

- Developed a healthcare management system for patients and doctors.
- Implemented doctor appointment booking and medicine reminder features.
- Built secure user authentication and patient management modules.
- Designed responsive interfaces for an improved user experience.

### Cake Shop Website August 2026

#### Technologies: React.js, JavaScript, Tailwind CSS, Firebase

- Developed a responsive cake shop website with a modern and interactive UI.
- Implemented authentication, protected routes, and dynamic product pages.
- Created reusable React components and integrated REST APIs.
- Optimized the application for performance and mobile responsiveness.

### Personal Portfolio Website july 2026 – Present

#### Technologies: React.js, JavaScript, Tailwind CSS, Framer Motion

- Designed and developed a modern personal portfolio to showcase projects and technical skills.
- Built interactive UI animations using Framer Motion.
- Implemented dark/light mode, responsive layouts, and smooth navigation.
- Optimized performance and accessibility for a better user experience.

## EDUCATION

### Bachelor of Science in Computer Science & Engineering (BSc in CSE)

University of Asia Pacific |  June 2023 – June 2027 | CGPA: 3.10

### Higher Secondary Certificate (HSC)

Comilla Collectorate School and College |  2020 – 2022

### Secondary School Certificate (SSC)

Brahmanpara Ocean High School |  2020

## SKILLS

React.js • JavaScript • Tailwind CSS • Firebase • Python • Django • HTML/CSS • Bootstrap • Node.js • Express.js • MongoDB • SQLite • Git • Framer Motion
